

## 2024 A. L. BURRUSS SGT PARENT CANDIDATE

### **Victoria Brown**

Hello, my name is Victoria Brown. I've had the pleasure of being a parent at A.L. Burruss Elementary for 4 years. For the past 3 years, I have served on our PTA Board at Burruss, and I have loved being a part of an association that focuses on bringing parents, teachers, and the community together. I attended my first SGT meeting 3 years ago and was blown away by all the information I took away from the meeting. I've loved asking questions and gaining knowledge from the meetings over the past few years that helped me as a parent and a member of this community. The mission of nurturing participation in our community, and improving our school and community is something I would love to continue to be a part of in a different capacity at our school. Ultimately seeing ALL our children succeed is the goal at Burruss and that is exactly what I love about our school!

I graduated with a degree in Early Childhood Education from Kennesaw State University in 2010. My love for students took me in a direction outside of the Elementary setting, but I learned that I loved developing curriculums for students and strategic planning in business. My love for creativity, planning, organization, and strategy led me to develop my event planning business 14 years ago. The skills I have developed through the years have gone hand in hand with volunteering at my children's schools throughout the years and I hope to bring my skills and knowledge to the table. My absolute favorite role is being a mother to my 3 children. I love that we can be involved and play a role in such important decisions in their life. Our family's love for Marietta has run deep since we joined this community. I would love to be a part of making a lasting impression on our 2024-2026 students, and all the future Blue Devils.
