

2024 LOCKHEED SGT TEACHER CANDIDATE

Alicia Pettus - Bilal

Throughout my career, I have taken part in experiences that have allowed me to develop personally and professionally as an education leader. I have accumulated over twenty-two years of teaching and leadership experience that has spanned across diverse communities.

I have had the opportunity to serve in rural, urban, suburban, and international settings. In addition, I have acquired meaningful skills and knowledge as I served in Title I and non-Title schools. I joined Lockheed Elementary in 2019 and currently serve as an EIP teacher. With each experience, I have gained and made use of skills and knowledge that have allowed me to make a positive impact.

I believe that becoming a member of the Lockheed School Governance Team will allow me to serve the students and staff in a meaningful way. It would be a privilege to support the practices, programs, personnel, and partnerships that directly impact the success of our school and community.
