

2024 MARIETTA HIGH SCHOOL SGT PARENT CANDIDATE

JASON MEADE

As a current assistant principal at Sequoyah High School and a former associate principal at Marietta High School, I have extensive experience in instructional leadership, student support, school improvement planning, master scheduling, CTAE programs, safety planning, budget collaboration, and all other aspects of running a high school. My background as a teacher further enriches my understanding of student needs. Additionally, as the parent of a rising 9th grade student and a rising 12th grade student, I have been involved as a parent and volunteer in Marietta City since my students were in Kindergarten at AL Burruss Elementary, which allows me to enjoy deep relationships with both staff and the community. With a hands-on approach and a dedication to student success, I aim to bring valuable insights to the school governance team as a parent and an education professional.
