

2024 MARIETTA HIGH SCHOOL SGT PARENT CANDIDATE

TISH SHIRLEY

My name is Tish Shirley, and I am originally from Columbus, Georgia. I graduated from the University of Georgia with degree in Public Relations. My husband Bobby and I moved to Marietta in 2004 joining a dental practice in the area and have become very invested in this special community. We have two boys at Marietta High School, currently a freshman and a junior. I have loved serving within Marietta City Schools over the years in varying roles from PTA Co-President, Co-Vice President, and Parent Liaison in our elementary school, Co-Chair of Faculty and Staff Connections at both MSGA and MMS and SGT at MMS. My husband and I are grateful to have had opportunities of investment and leadership through our community church and local ministries as well. My greatest honor and privilege, however, is that of being a parent. That is what calls and drives me to invest in the people and places that are coming alongside our family and making investments in our children! I believe in Marietta City Schools, it's leadership, and a strong future where we continue to thrive and grow! I am so grateful for the opportunity and education this school system provides for my children. My willingness to serve on the SGT Board in the coming years is motivated by my desire to encourage, support and believe the best for our students and their academic leaders! Thank you for considering my role on SGT!
