

## 2024 SAWYER ROAD ELEMENTARY SGT TEACHER CANDIDATE

### **Lisa Ramer**

I have worked at Sawyer Road Elementary School for ten years. I have been a homeroom teacher for nine of those years and now serve as the 4th grade EIP teacher. I have led Kiwanis Kids Club in our school for 6 years teaching our members how to be leaders within their school and community. As an educator, I know the importance of students, parents, teachers, and community members working together to help all children succeed. For this reason, I would love to serve on the School Governance Team to represent the teachers within our building and be a voice for the students and families that attend our school.
