Content Specific Information	The Alcohol Drug and Awareness Program (ADAP) is a state mandated program for teenagers who wish to get their Georgia Driver’s License at age 16. The course is provided by the Georgia Department of Driver Services in conjunction with the Governor’s Office of Highway Safety, and serves this purposes: To inform the young people of this state of the dangers involved in consuming alcohol or drugs in connection with the operation of a motor vehicle; and To emphasize the importance of highways safety and crash prevention. Every teenager who wishes to obtain a Driver’s License must complete the Alcohol Drug and Awareness Program.
